# LAGOS

*Nigeria*

There are nations and peoples of our world who have not yet heard of the eternal Gospel. Why should believers pray for Lagos, Nigeria, where an estimated 50 percent of the residents are Christians? Because there are more people in Lagos than in two-thirds of the countries of our world! With an estimated population of 8 to 13.5 million, at least 4 to 7 million people in Lagos do not know our Savior. There is another reason – there are still many people groups in Nigeria in which less than 2 percent of the population has heard the Gospel, and representatives of these people groups can be found in Lagos.

- Pray for Christians in Lagos as they share the true God with acquaintances who are Muslim, an estimated 40 percent of the population.
- Did you know that one of the largest past prayer efforts in the world occurred in Lagos? Pray that believers in Lagos will claim the power of prayer again as they seek to proclaim the eternal Gospel in their country.
- Pray that the Christians of Lagos will seek to know and obey God's Word and not be swayed by leaders who divert them from obeying their Father's commands.
