People Group Profile

Nyiha

The Nyiha are renowned as fierce warriors and elephant hunters. Additionally, they are skilled craftsmen. Blacksmiths are especially respected, as they make tools and wire for traps and jewelry. Women weave cotton and make pottery, while men make mats and baskets. The Nyihans' main livelihood, however, is millet farming and communal hunting.

Christian resources available in this language include New Testament, JESUS film, Scriptures and audio recordings.

Before committing to engage this people group, please contact field personnel to receive the most up-to-date information about them: contact@imbafrica.org
